1. Delivery of rollers needed by the SAG Marten, Hettstedt, rolling mill has been made by the USSR. The rollers arrived in early 1952 after procurement from East Germany proved impossible.
2. A bill for the rollers has now been received from Export- und Importgesellschaft. The Hettstedt works has refused to pay the 105,000 DM East unit price for each roller, contending that the regulated price of a roller in 1944 was 15,000 Marks and that a similar piece of equipment in West Germany now costs 25,000 Marks.
